

RDD, Airport Tower Operations

Mr Scott Wilson, tower chief at RDD will discuss the current operations and procedures for the RDD airfield. Mr. Wilson has 30 years of experience and has been in Redding for a number of years now. He will provide an overview and then delve into specifics for day, night and IFR procedures for when the tower is in operation.

Directions: Driving: Park either north or south of the the FBO, then walk through the man gate to the lobby, then into the main hangar. Flying: Park just to the north of the FBO in the transient parking area, then walk to the lobby, then into the main hangar
